# CAIRO FACE *Summit*

## Cairo FACE 2024:

Cairo FACE 2024 was a resounding success, drawing over 800 attendees and solidifying its role as a key event for experts and innovators in facial aesthetics. The summit featured more than 50 international speakers, over 100 national experts, and two live surgeries, positioning Cairo FACE as a center of excellence. Attendees participated in high-level discussions, witnessed advanced procedures, and engaged in specialized workshops, setting new standards for education and collaboration in aesthetic medicine.

### EVENT IN NUMBERS

+100 Speakers  
+50 International Speakers

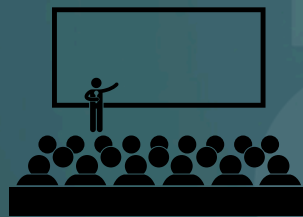

+800 Attendees

2 Live Surgeries

+10 Masterclasses

+90 Lectures

+5 Courses

Exhibitors at Cairo FACE 2024 offered live demonstrations, product samples, and consultations, providing attendees with valuable insights into new treatments and technologies. The exhibition hall served as a dynamic hub for learning, where practitioners could interact with industry representatives, ask questions, and access exclusive event offers. This vibrant presence enriched the summit, ensuring participants remained at the forefront of facial aesthetics.
